# **PROGRESS REPORT**

For the Period between  
1<sup>st</sup> Nov. 2019 and 30<sup>th</sup> Nov. 2019

- The Inaugural Meeting of the Building Services Engineering Sectional Committee (BSESC) for the session 2019/2020 was held on 26<sup>th</sup> November 2019. The location of the meeting has been shifted from IESL to the Main Auditorium of IESL College of Engineering where there is additional seating capacity. Eventually the highest ever attendance was reported for this inaugural meeting in which **one hundred thirty-one (131) participants** has signed the attendance sheet. There were members who travelled all the way from faraway places like **Hambanthota** to participate only for this meeting.

- BSESC Chairman, **Eng. Suran Fernando**, welcomed the participants. Then **Eng. Lakmal Isuru** was unanimously selected by the house for the post of **Secretary** for the session 2019/2020.
- Thereafter, Secretary for the previous session 2018/2019, **Eng. Thushara Pathirana** did a brief but a comprehensive presentation on the progress of the BSESC activities during the last session titled '**BSESC Session 2018/2019 – Flashback**'.
- Thus, an overview of the work plan for the new session titled '**BSESC Session 2019/2020 - Way Forward**' was presented by the Chairman. In this presentation the time plan of the new activities as well as the continuing activities such as the Building Code, Revision of BSE related Standards, ongoing CSR, Engineering Heritage Exploration project etc. were highlighted.
- Since BSESC has won the '**Gold Award for the Best Sectional Committee**' title this year for the 10<sup>th</sup> consecutive time since 2010, this remarkable achievement was demonstrated to the audience by presenting an attractive video prepared on the activities of the BSESC during the past years. Further the members of the TECNHO Sub Committee was felicitated by presenting a gift of appreciation for their commitment and contribution.

- **Eng. (Dr.) Chandana Jayawardana** (adviser of the BSESC Engineering Heritage Subcommittee) presented the activity progress through a slideshow titled “Engineering Heritage Exploration at Ranmasu Uyana” which created the interest of both the present and the potential membership towards such activities in the future.
