Eng. Thilina Saranga
Eng. Dhanushka Kodithuwakku

- Briefing the Implementation of Tasks

During the discussion following main tasks were taken in to consideration of Main Committee.

- 1) New BSE guideline to be finalized within this month by Main Committee and forwarded to Professional Affairs Committee for the approval.
- 2) Inviting to the volunteers who can contribute to build up National Building Code which is to be done by CIDA.
- 3) Ongoing CSR Project of 'Renovation the Electrical System of Mihinthale Maha Vidayala' to be completed by February 2020.
- 4) Library publication to be completed under "BSE Heritage Exploration" by March 2020.

In addition to the above, Main Committee agreed to have the General BSESC Meeting for the month of December 2019 on 07th January 2020 due to Christmas season

Event No: 2

Public lecture no: 01 organized by BSESC was conducted on 12th December 2019 under topic of 'Modern Design Practices in HVAC Systems towards the Energy Efficiency' presented by Eng. Suranga Lekamwasam at Wimalasurendra Auditorium - IESL.

80 numbers headcount participated to this public lecture and event was carried out for about 1 and ½ hours with interesting Q and A session. Eventually, the presenter was appreciated by the Chairman of BSESC by giving token of appreciation for his lecture.

Event No: 3

Two (2) Sub-Committee meetings were conducted on 17th December 2019 under the task of BSE-CSR projects and BSE Heritage Explorations.

- 1) Action plan were discussed and discussed to complete the ongoing CSR project by the month of February 2020. Accordingly, Members of CSR Sub-Committee met the school Principal on 27th December 2019 to explain our implementation plan.
- 2) Publication which is to be done under BSE Heritage Exploration was discussed during this Sub-Committee Meeting and accordingly sub tasks were assigned to each committee members.

-The End.-

Prepared by,
Eng. Lakmal Isuru
(Secretary, BSESC)
