PROGRESS REPORT

For the Period between
1st Feb. 2021 and 28th Feb. 2021

1. MONTHLY MEETINGS

1.1 BSESC General Meeting for the Month of February 2021.

The general meeting for the month of February was held on 23rd February via ZOOM platform. 58 Nos. of members were joined to the online meeting. There, the status updates of the completed and ongoing tasks were briefed by the Chairman and associated task leaders.

The following important updates were noted.

- Restructuring of Plumbing CPD and commencement of the course (Part-1) in the month of March
- Schedule of Webinar organized by BSESC for the month of March
- Committee engagements for CIDA Lift Specification

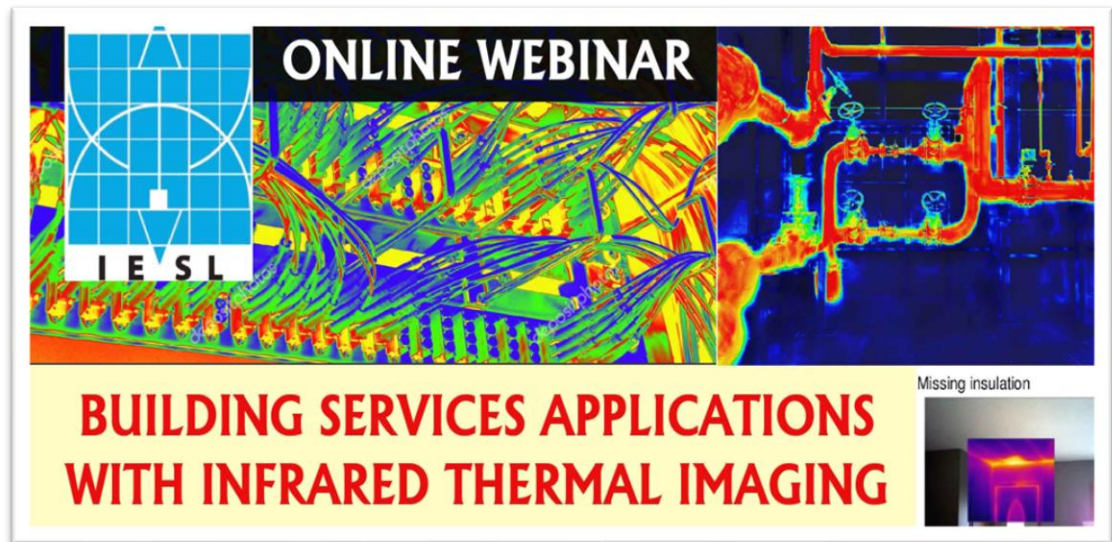

Further, Eng. Chandana Dalugoda did an interactive knowledge sharing session on the topic of **'Air filtration & COVID mitigation strategies'** at the end of the meeting

2. MAJOR TASKS UNDERTAKEN IN FEBRUARY 2021

2.1 Re-structuring of 'Plumbing Engineering' CPD course

The review of the content in the Plumbing CPD course was completed with the senior members and lecturers and re-structuring was also completed. Accordingly, the previous course was segregated as two courses and the part-1 of the course was scheduled to commence on 13th March 2021.

2.2 Webinar Organized by BSESC

2nd webinar organized by BSESC was conducted on 11th February 2021 on the topics of '**Building Services Application with Infrared Thermal Imaging**' presented by Eng. Shami Mudunkotuwa

-The End-
