

Event 02:

Title : “HOW TO BECOME AN ENGINEER?”, A Motivation Program for Thunukkai Zone Schools, Mullaithivu.

Recourse Persons : Eng. N Suthakaran, Eng. S Sarvarajah, Eng. M E Sutharsan, Eng. S. Senthilkumaran and Eng. S Vijayatharsini

Venue/Platform : Mu/Mallavi Central College, Mullaithivu.

Date & time : 8.30 am, 12 of November 2024.

Participants : 5 Nos of Engineers, 08 Nos of teachers and 117 Nos of students.

The motivational program on "How to Become an Engineer" was organized and coordinated by Eng. S. Sarvaraja. This inspiring session provided students with valuable insights into the responsibilities of engineers in society, the challenges they may encounter in their academic journey, and strategies for achieving success in life. It was an excellent opportunity for students to gain motivation and guidance, equipping them with a clear understanding of what it takes to thrive as future engineers. The program not only encouraged them to pursue engineering but also highlighted the impact they can make in the community.
