Wayamba Chapter organized an annual cricket tournament for our engineers and was held on 7th September, 2024 at C.W.W. Kannangara School ground, Mallawapitiya. Five teams from the Road Development Authority, Ceylon Electricity Board, Engineering Services Board, Water Board and private sector played for the tournament representing key organizations and the Engineering Services Board won the trophy 2024.

It was a great opportunity to gather our engineers from various organizations and we enjoyed well.
