

Techno Stall by Wayamba Chapter

Techno 2024 exhibition organized by Institution of Engineers, Sri Lanka (IESL) was held on 11th, 12th & 13th of October, 2024 at BMICH. Wayamba Chapter presented and conducted a stall at the Techno exhibition during this period.

Wayamba Chapter presented the Maho - Omanthai Northern Railway Track Rehabilitation project aiming to educate the public regarding the importance and benefits of this nation level project with the guidance and support of Sri Lanka Railways. Most of the Executive Committee members participated for the stall as representatives.
