

## IESL QATAR CHAPTER BBQ NIGHT 2025

The IESL Qatar Chapter BBQ Night 2025, held on Friday, 02 May 2025, at Al Bidda Park in Doha, Qatar, was a resounding success. The event, attended by approximately 60 participants, including members, spouses, and children, fostered a sense of camaraderie and belonging among the Sri Lankan engineering community.

The evening commenced with warm greetings and the distribution of specially designed IESL-Qatar Chapter t-shirts to all members. These t-shirts, emblazoned with the chapter's logo, symbolized unity and a shared professional identity. The distribution of these t-shirts was met with enthusiastic reception from the participants.

The organizing committee meticulously planned the event's logistics, ensuring seamless coordination of food and entertainment. The picturesque setting of Al Bidda Park, with its expansive lawns and refreshing evening breeze, provided an ideal ambiance for meaningful interactions and jubilant celebrations.

A highlight of the evening was the children's segment, which featured a variety of games and recreational activities tailored specifically for the young attendees. The children enthusiastically participated in all the events, their energy and infectious laughter illuminating the park. Concluding the activities, gifts were distributed to all the children, further enhancing their overall experience.

As families intermingled, old acquaintances reconnected, and new friendships were forged. The BBQ dinner was a resounding success, featuring a delectable spread of grilled meats, traditional side dishes, and beverages, all freshly prepared and served by the attendees under the starlit sky.

The event concluded with two speeches delivered by esteemed guests, adding depth and purpose to the occasion.

At the IESL Qatar Chapter 2024/25 Chairman CEng. Chandima expressed his gratitude to all participants, volunteers, and the organizing team for the event's resounding success. He outlined the Chapter's future plans, which include community-driven initiatives, professional development programs, and family-oriented events that will further strengthen member connections.

Former Chairman CEng. Jagath also addressed the gathering, delivering an inspiring message of appreciation and encouragement. He commended the committee for organizing such a successful event and motivated members to continue conducting similar programs in the future, emphasizing the significance of these gatherings in fostering a resilient and connected engineering community.

The evening was captured in photographs, capturing both group and individual moments throughout the event. These documented memories will serve as cherished recollections of a truly exceptional evening shared among peers and their families.

As the sun descended over Doha, laughter reverberated through the park, conveying a shared sentiment among all attendees: BBQ Night 2025 transcended its status as an event, becoming a

celebration of unity, belonging, and joy. The IESL Qatar Chapter extends its heartfelt appreciation to all participants and eagerly anticipates future gatherings.
