Dear Member:

Since the outbreak of COVID 19, a large number of IESL members are working very hard, under trying circumstances, to deliver beyond our professional duties, to our fellow citizens. As the President of IESL, I wish to thank you all for your contributions to the country. It is heartening to note that you are trying your very best to try to repay, in the best way you can, to those who have sacrificed many of their comforts to pay for the education of almost all of us.

Please be assured that IESL is always with you in your timely efforts.

Thanking You

SBS Abayakoon

President, IESL
