

List of Accredited Engineering Degree Programs * (Washington Accord) as at December 23, 2019

UNIVERSITY OF MORATUWA

Degree Programme	Period of validity of the accreditation	
	From (Intake Year)	To (Intake Year)
Bachelor of the Science of Engineering Honours Degree Program Specialty : Chemical and Process Engineering	2010	2020
Bachelor of the Science of Engineering Honours Degree Program Specialty :Civil Engineering	2007	2020
Bachelor of the Science of Engineering Honours Degree Program Specialty : Computer Science and Engineering	2009	2019
Bachelor of the Science of Engineering Honours Degree Program Specialty : Earth Resources Engineering	2011	2020
Bachelor of the Science of Engineering Honours Degree Program Specialty :Electrical Engineering	2008	2022
Bachelor of the Science of Engineering Honours Degree Program Specialty :Electronic and Telecommunication Engineering	2008	2018
Bachelor of the Science of Engineering Honours Degree Program Specialty : Materials Science and Engineering	2010	2020
Bachelor of the Science of Engineering Honours Degree Program Specialty : Mechanical Engineering	2007	2017

UNIVERSITY OF PERADENIYA

Degree Programme	Period of validity of the accreditation	
	From (Intake Year)	To (Intake Year)
Bachelor of the Science of Engineering Degree Program Specialty : Civil Engineering	2007	2020
Bachelor of the Science of Engineering Degree Program Specialty : Chemical and Process Engineering	2011	2020
Bachelor of the Science of Engineering Degree Program Specialty : Computer Engineering	2009	2019
Bachelor of the Science of Engineering Degree Program Specialty : Electrical and Electronic Engineering	2008	2022
Bachelor of the Science of Engineering Degree Program Specialty : Mechanical Engineering	2009	2019
Bachelor of the Science of Engineering Degree Program Specialty : Production Engineering	2009	2014

UNIVERSITY OF RUHUNA

Degree Programme	Period of validity of the accreditation	
	From (Intake Year)	To (Intake Year)
Bachelor of the Science of Engineering Degree Program Specialty : Civil and Environmental Engineering	2011	2020
Bachelor of the Science of Engineering Degree Program Specialty : Electrical and Information Engineering	2010	2020
Bachelor of the Science of Engineering Degree Program Specialty : Mechanical and Manufacturing Engineering	2010	2020

Note: * *These programs which have been accredited in accordance with Washington Accord guidelines will be recognized as having academic qualifications equivalent to accredited Engineering Degree programmes by other Washington Accord signatories if the respective degree holders have graduated after June 13, 2014.
